OFFICE OF THE DIRECTOR OF FINANCE 1401 John F. Kennedy Blvd. Suite 1330, Municipal Services Building Philadelphia, PA 19102-1693

ROB DUBOW
Director of Finance

February 21, 2013

To the Honorable Mayor, Members of City Council and Citizens of the City of Philadelphia:

Submitted herewith is the Supplemental Report of Revenues and Obligations of the City of Philadelphia covering the Operating Funds and the Capital Improvement Funds for the Fiscal Year ended June 30, 2012.

This report consists of a comparison of the actual revenues to adjusted revenue estimates and actual obligations to appropriations as adjusted and approved by City Council in the operating budget and capital budget ordinances for the fiscal year. The report is composed of summarized and detailed statements divided into two major parts: Part I presents all the operating funds' activity for both this fiscal years' operating budget and prior years' authorizations; Part II presents the Capital Improvement Funds' activity for this fiscal years' capital budget and prior years' capital budget authorizations.

The financial data for revenues and obligations of the nine operating funds is presented on an individual fund basis. These funds are set forth in three major categories: (1) General Fund; (2) Special Revenue Funds - made up of the County Liquid Fuels Tax Fund, Special Gasoline Tax Fund, HealthChoices Behavioral Health Fund, Hotel Room Rental Tax Fund, Grants Revenue Fund, Community Development Fund, Car Rental Tax Fund, Housing Trust Fund, and Acute Care Hospital Assessment Fund and (3) Enterprise Funds - composed of the Water Fund, Water Residual Fund and the Aviation Fund.

All the statements contained herein are presented on a budgetary basis. This report contains only the statements pertaining to the City's revenues, obligations, appropriations and capital project authorizations. It is issued as a supplement to the *Comprehensive Annual Financial Report of the City of Philadelphia* which is also available for those readers interested in a more comprehensive report on the City's financial condition.

Respectfully submitted,

Rob Dubow

Director of Finance

#### NOTE (1):

The system under which the City receives and budgets funds of the Grants Revenue and Community Development Funds requires that sufficient total appropriations be included in the Fiscal 2012 budget to cover grant awards which may become available during the fiscal year. These funds are self-balancing in that appropriations utilized equal revenues which became available during the fiscal year. The budget for Fiscal Year 2012 contained standby authorizations of \$100.0 million in the Grants Revenue Fund, of which \$60 million was not made available for utilization. The Community Development Fund contained standby authorizations of \$20.0 million, of which \$20.0 million was not made available.
